

# The Point Software 2010 Deputy Deal

*Isn't it time you get more from these services?*

Point is now offering you the opportunity to attain a smarter business choice for deputy services – even if you aren't an existing software customer. **The offer is attractive:** As a Point Deputy customer, you will automatically be enrolled in our Deputy Technology Credit Program. The program credits your account with 10% of our Deputy fees collected for future services and has helped many customers deal with budget cuts. Plus if you act quickly, Point will also give you **your choice of a sign-up bonus:** a 10% credit advance based on 2009 amounts paid to your currently appointed deputy OR the use of our excise abatement software for FREE\*.

Since 1999, Point Software has rendered deputy collection services for motor vehicle excise with high standards for efficiency and professionalism. This is made possible through full integration with our own proven excise billing and posting software and through the continuing efforts of dedicated personnel who aim to give Point Deputy customers the highest collection and fastest turnover of their delinquent tax revenue.

## **As a Point Deputy customer, you will also enjoy these benefits:**

- Deputy Center accepts payment by cash, credit card (Visa and MasterCard) and money order
- Free enrollment in Point's Deputy Technology Credit Program
- Electronic monthly report detailing all open balance items maintained by Point
- Daily deposits to the municipality's account
- Electronic transaction turnover that automates posting
- Online connection to the Registry of Motor Vehicles for immediate processing of clear requests

Interested? Don't hesitate to call us at **1.800.368.9538** to discuss how Point's Deputy Services can benefit your municipality. This special offer ends February 5, 2010.

\* Offer valid for new customers only. To qualify for Point's excise abatement software offer, the municipality must commit to a deputy service contract with Point Software for a minimum two-year term beginning with 2010 Commitment #1. Advance credits are subject to recapture from fees before additional credits are added. Other terms may also apply.

**TaxValues™ Excise Abatements** is designed to give the assessors' office access to and control of the excise assessment data for your municipality. This software enables the assessors to carry out their excise-related functions – correcting addresses, voiding exempt bills and issuing abatements – then transfer the updated information to the tax collector, eliminating the time-consuming verification and authorization process traditionally required.
